THE **SCREEN AND DESKTOP** RANGE

The screen and desktop range is a modern, stylish and cost-effective space dividing solution. Our upholstered screens are manufactured in house and are therefore available in standard or bespoke sizes. They come with a variety of options such as straight, wave or curve profiles with various trim finishes and can be linked if required.

WFS

DESKTOP **SCREENS**

STRAIGHT (Standard height is **480mm**. Please state on your order if different)

SDT800	480h X 800w
SDT1000	480h X 1000w
SDT1100	480h X 1100w
SDT1200	480h X 1200w
SDT1400	480h X 1400w
SDT1500	480h X 1500w
SDT1600	480h X 1600w
SDT1800	480h X 1800w
SDT2000	480h X 2000w

WAVE (Standard height is **480 -280mm**. Please state on your order if different)

WDT800	480h – 280h x 800w
WDT1000	480h – 280h x 1000w
WDT1100	480h – 280h x 1100w
WDT1200	480h – 280h x 1200w
WDT1400	480h – 280h x 1400w
WDT1500	480h – 280h x 1500w
WDT1600	480h – 280h x 1600w
WDT1800	480h – 280h x 1800w
WDT2000	480h – 280h x 2000w

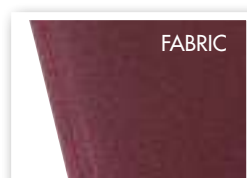

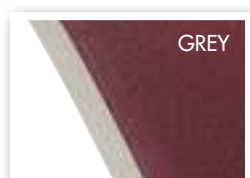

CURVE (Standard height is **380-180mm**. Please state on your order if different)

CDT800	380 – 180 x 800w
CDT1000	380 – 180 x 1000w
CDT1100	380 – 180 x 1100w
CDT1200	380 – 180 x 1200w
CDT1400	380 – 180 x 1400w
CDT1500	380 – 180 x 1500w
CDT1600	380 – 180 x 1600w
CDT1800	380 – 180 x 1800w

If you order a non standard width you need to take the price of the next sized desktop.
For example: SDT 480h x 1345w – Take the price of the next size which is 1400w.

Please ensure you state on your order your preferred choice of Trim. You have a choice of Light Grey, Maple or Fabric Edging. IF YOU DO NOT STATE A TRIM YOU WILL AUTOMATICALLY RECEIVE A FABRIC EDGE.

Our **Standard** Bracket is **DMB5**: you will receive 2 x B5 Brackets with each desktop unless you state a different bracket.

For LOSO (linking one side only) on a desktop - extra cost
 For LS (linking both sides) on a Desktop – extra cost

2 WAY LINK

3 WAY LINK - EXTRA COST

4 WAY LINK - EXTRA COST

Bracket holes may be positioned to suit customer requirements and the height and length of desktops may be altered, (please call for advice on either of these issues).

FAQ Concerning Screens and Desktops

- Q. How do I specify the size of a Screen or Desktop?
 A. You must quote metric sizes when ordering. You must state the height first followed by the width.
 Q. Do you have a choice of feet on a free standing or linking screen?
 A. Yes, you have a choice of grey or maple, full or half feet. If you do not specify, you will automatically receive grey full feet.

- Q. Do I have a choice of profile on a free standing or linking screen?
 A. Yes, you can have a Wave (WFS) Curve (CFS) Angled (AFS) free standing or a Wave (WLS) Curve (CLS) Angled (ALS) linking screen.
 Q. Is there any limitation on the profile sizes?
 A. Yes, the wave and curve profiles are limited to a standard drop of 200mm. E.G 1600h-1400mmh
 Q. Do different profile screens cost any extra? For example: WFS (Wave Freestanding Screen)
 A. Yes, there is an additional 30% surcharge on top of the price of a FS or LS Screen. For example: Wave Free Standing Screen 1800h x 1500w would be coded as WFS 18-16x15. Take the price of a FS 18/15 and add 30% - This only applies to free standing and linking screens
 Q. What trim choices do I have on all screen and desktops ranges?
 A. You have a choice of Maple, Grey or Fabric edging. These are a no cost option on the desktop range and the freestanding and linking screens with profile tops. On standard freestanding and linking screens, a fabric edging is standard, grey and maple edging are an extra cost. Please contact our sales team for a quote.
 Q. Do I have to state a trim on a screen or desktop?
 A. If no trim is stated, you will automatically receive a fabric edge.
 Q. Can you supply acoustic screens?
 A. Yes, we can supply acoustic screens for an extra cost.
 Q. Do I need to state which brackets I require on a desktop screen?
 A. No, you will automatically receive 2 x B5 Brackets with each desktop ordered; however should you require an alternative bracket you will need to state this on your order.
 Q. If I have ordered the wrong brackets can I exchange these?
 A. Yes you can, however, there is a handling charge applied.
 Q. Can I purchase additional screen feet or desktop brackets?
 A. Yes.
 Q. Can FS or LS screens be made mobile?
 A. Yes, you can have normal castors or locking castors for an extra charge, please see overleaf.

FAQ Continued

CASTORS ON A SCREEN

(Non Locking Castors attached to the Screen Feet)

Extra cost added to price of the screen when ordering

To buy feet with castors separately there is a cost per screen foot

LOCKING CASTORS ON A SCREEN

(Locking Castors attached to the Screen Feet)

Extra cost added to price of the screen when ordering

To buy feet with locking castors separately there is a cost per screen foot

- Q. Can screens be linked in clusters of 3 or 4?
- A. Yes, we can supply 3 or 4 way linking strips to join a cluster of Screens together. Linking strips are available in Maple or Grey, if the colour isn't stated you will automatically receive Grey.
- Q. What is the standard positioning of your bracket holes on desktop screens?
- A. Brackets holes are located 250mm in from each end. Bracket holes can be resituated but must be stated at the time of order.
- Q. Are your screens and desktops pinnable?
- A. No, however, we can double foam our screens and desktops, please contact our sales team for prices.
- Q. Do I have to order standard sizes?
- A. No, if you order a non standard height or width you need to take the price of the next sized Screen. For example: FS 1150h x 1560w – Take the price of the next size which is FS 1200h x 1600w

DISCLAIMER NOTICE FOR SCREENS & DESKTOPS

If you order any screens or desktops above our largest size of (Screens) 1800h x 1800w or (Desktops) 480h x 2000w a disclaimer will be placed against the order stating that the product has been made to a clients specification and may not meet health and safety regulations.

DISCLAIMER NOTICE FOR PRINTED COLOURS

Please be aware that although our photography is of the highest quality, due to the limitations of the printing process and the kind of light under which you view this brochure, there may be a slight variation between the actual chair colour and the printed example.
