

GO Office Limited

STEEL STORAGE CATALOGUE

Complete Filing & Storage Solutions

GO prides itself on its attention to detail, with every component carefully chosen for its looks, strength and durability/reliability. Each item is designed and manufactured to the same demanding standards.

Particular attention is paid to safety and units are tested to the highest relevant British & FIRA International standards.

GO products are designed to blend in with the most attractive working environments while providing the robust reliability necessary for a long working life.

Our range of colours will complement most office environments and corporate schemes. GO products are styled to look good in your office for years to come.

Quality, practicality and good aesthetics reflect the Companies commitment to be a major force in steel products.

Stored. Protected. Locked.
